## Independent Living

**B**aptist Retirement Community offers housing options to fit every lifestyle for seniors who are 62 years of age or older. We have one, two and three-bedroom homes and duplexes in our East and West Village neighborhoods and two and three-bedroom homes in the Northgate Estates gated community. Or, if you prefer apartment living, the Henley-Mabee high rise offers studios as well as one and two bedroom apartments with or without kitchens. We provide an active, maintenance-free way of life that includes a variety of life-enriching activities and wellness programs. As the only Continuum Care Retirement Community (CCRC) in San Angelo and the Concho Valley area, Baptist Retirement Community provides a wider range of living and care options for a temporary or permanent need. Choosing a CCRC, such as Baptist Retirement Community, provides an opportunity to plan for today and for the future. It gives residents and their families peace of mind that there will be housing and services to meet their needs in a familiar environment.
