# A heart for children and families

Nothing shines hope like opening your family to a child in need.

Buckner provides the training and resources needed to become a family to a child for a season through foster care or a forever family through adoption. Children in these programs are most often referred through the Texas Department of Family and Protective Services due to experiencing abuse, neglect or abandonment.

As a Buckner volunteer, your unique skills and abilities can meet the needs of vulnerable children, fragile families and single parents in your community. Join the movement that has transformed lives since 1879 through hands-on ministry.

Your involvement could change a life. Here's a sampling of how your involvement could do just that:

Encourage and support **Buckner foster and adoptive families** along their journeys. Provide child care during trainings and

meetings, help with clerical work in the office and serve as a network of help for families serving children.

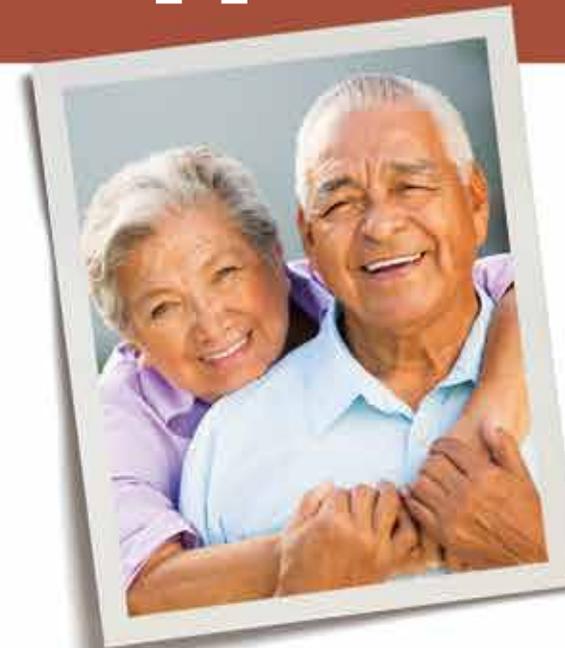

Serve children through **Buckner Children's Village**, providing hope for the vulnerable.

**Mentor** young people who are aging out of foster care, giving them the support system they need to succeed.

When you envision this unique stage of life, what do you see? Certainly not a place to settle, but a place where you can thrive, be engaged, and rest assured that you are taken care of. At Calder Woods retirement community, that's exactly what you'll find.

As Beaumont's premier senior community, we provide a continuum of care to meet your needs at any level—from independent or assisted living, to skilled nursing, memory care and hospice.

The difference? A defining characteristic of our senior living community is its longevity as a faith-based nonprofit. It's our calling to provide you with the highest quality of life and to be Christ-like and servant-hearted in doing so. At Calder Woods, we earnestly seek to inspire happiness.

You see the needs around you, you want to transform lives and, in doing so, change the world.

Every day, we bring cause-driven people together to do just that.

You are critical to transforming lives through Buckner programs. Together, we can offer help and hope in three significant ways: Strengthening families through Buckner Family Hope Centers, sustaining single mothers and their children through Buckner Family Pathways, and protecting children through Buckner Foster Care and Adoption programs.
