Nothing shines hope like opening your family to a child in need.

Buckner provides the training and resources needed to become a family to a child for a season through foster care or a forever family through adoption. Children in these programs are most often referred through the Texas Department of Family and Protective Services due to experiencing abuse, neglect or abandonment.

For more information, visit buckner.org or call 1-855-264-8783.

As a Buckner volunteer, your unique skills and abilities can meet the needs of vulnerable children, fragile families and single parents in your community. Join the movement that has transformed lives since 1879 through hands-on ministry.

Your involvement could change a life. Here's how:

Encourage and support **Buckner foster and adoptive families** along their journeys. Provide child care during trainings and

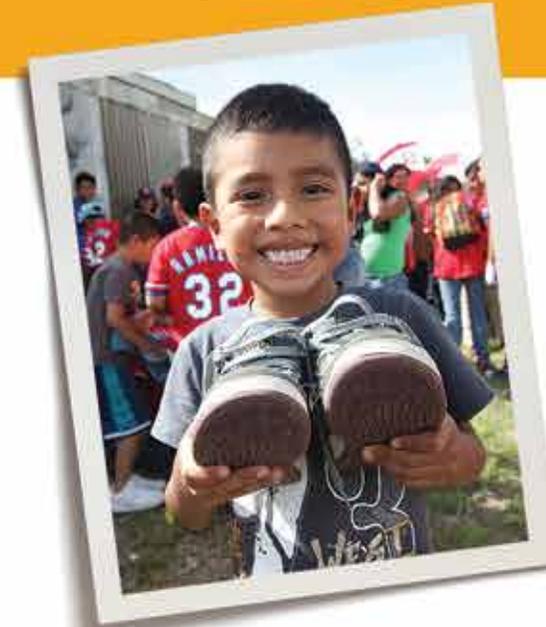

meetings, help with clerical work in the office and serve as a network of help for families serving children.

Strengthen and encourage single-parent families involved in **Buckner Family Pathways**, a program that provides families a

safe place to live so parents can achieve their educational goals.

You may not often think about the shoes on your feet, but the gift of a pair of footwear through Buckner Shoes for Orphan Souls® can help a child get a significant step in life. Shoes:

 **Provide health** by protecting children from disease and infection.

 **Empower a child** to go to school. Schools around the world require children to wear shoes.

 **Shine hope** into a child's life. A pair of shoes demonstrates a person's worth and shares God's love.

Open up an opportunity for transformative ministry. Receiving shoes often is the first engagement point between families and Buckner. It provides a chance for families to learn more about services through Buckner.

For more information about how you can host a shoe drive, visit buckner.org/shoes.

You see the needs around you, you want to transform lives and, in doing so, change the world.

Every day, we bring cause-driven people together to do just that.

You are critical to transforming lives through Buckner programs. Together, we can offer help and hope in three significant ways: Strengthening families through Buckner Family Hope Centers, sustaining single mothers and their children through Buckner Family Pathways, and protecting children through Buckner Foster Care and Adoption programs.

For more information about how you can shine hope into the lives of vulnerable children and families, contact Buckner Gift Officer Paige Reynolds at 936-554-7718.
