25 FOR 25!

Challenge

**NEW SHOES
PROVIDE HOPE.**

HELP US COLLECT 25,000 PAIRS OF NEW
SHOES TO CELEBRATE THE 25TH ANNIVERSARY
OF OUR COLLABORATION!

New shoes give children renewed hope.

“I was so happy I nearly cried.” Those were the words Rodrigo told Buckner staff shortly after receiving his brand new, red athletic shoes.

Rodrigo and his family live in the Xoxocotlán colonia in the outskirts of Oaxaca City, located in central Mexico. Since 2020, **more than 60%** of residents of Oaxaca live in moderate to extreme **poverty**.

Buckner staff in Mexico describe Rodrigo as a child who loves to learn and seeks to bring cheer to everyone he encounters. Rodrigo started school this year with a new pair of shoes.

As is the case with many families, shoes have been a part of the many holistic services Rodrigo and his family are benefiting from through their local Buckner Family Hope Center®. Through workshops, training and spiritual enrichment, Rodrigo and his family are experiencing hope and achieving their potential.
