

Helping families *succeed*

Buckner Family and Youth Success (FAYS). FAYS

was designed to strengthen both parents and children. This family-focused program provides conflict resolution tools, strategic plans to overcome challenges, and provides a custom plan to help families succeed.

Strong children come from strong families.
Strong families come from strong communities.

FAYS

family & youth success

Focusing on the whole *family* to achieve results

The FAYS program serves families and is designed to strengthen children and parents by focusing on their specific struggles. This family-focused program provides conflict resolution tools and provides a custom plan to help families overcome challenges.

FAYS is for:

- ✓ Children dealing with bullying
- ✓ Children with behavioral challenges
- ✓ Families dealing with internal conflict
- ✓ Families struggling to communicate
- ✓ Parents going through a divorce
- ✓ Teenagers facing difficulties
